25X1 8. [] Russ Fee, Counsel of the Senate Preparedness Investigating Subcommittee staff, called and advised that starting 10:00 A.M., Wednesday and continuing through Thursday of this week, there will be a staff briefing by DOD on test problems. ACDA will also be in attendance. Items to be covered are history of the U.S. effects test and future effects tests requirements; vulnerability of U.S. weapons systems and relationship of future testing to ABM systems developments.

25X1 [] OSI, has been advised of this call and the invitation for Agency observers if desired. Agency observers should hold the usual TS//KD clearance. Names are to be passed to Mr. Fee who will clear attendance with DOD for us.
